Thank You

Recognition to our many friends and depositors is appropriate at this time since we have reached the all-time high in total resources of 30 Million Dollars.

As the first bank in Ulster County to achieve this impressive amount we feel it is a testimonial to the confidence which our many depositors and friends have reposed in us. It is our desire to thank each and everyone who has made this occasion possible. We are also renewing our policy that service and friendliness are necessary to merit the continued patronage and confidence of our many friends.

Much depends upon the next election, for it is a forerunner of 1960 when a new President is to be elected. The Democrats believe that there is a trend toward them and that they will carry both New York State and California which in practical terms could eliminate both Richard Nixon and Nelson Rockefeller as Republican possibilities. It is now generally taken for granted that Nixon will be nominated on the Republican side, but it is also assumed that if Nelson Rockefeller is elected Governor of New York in 1958, he will seek the Republican Presidential nomination in

The election law requires an independent party to obtain at least 12,000 signatures, with at least 50 from each county, in order to obtain a place on the ballot.

The three legally recognized parties-Republican, Democratic and Liberal—are listed automatically on the ballot.

The salesman was eloquent about the merits of the vacuum cleaner he was selling, but this particular housewife wasn't impressed. She suggested that he talk less and show her by demonstration how much better his machine was than her old roadroller model.

Whereupon he took off his coat, fitted up the cleaner, thrust his arm into the chimney of the open fireplace and brought out a handful of soot, which he scattered over the carpet. He then shoveled some ashes from the grate and sprinkled them over the rug. He even added a generous handful of soil from the window flower box. Then he smiled at the frightful mess he had created, and rubbed his

Port Ewen Business Group To Issue Folder On Area Potential

PORT EWEN - The importance of obtaining all necessary statistical information about the area, and having it ready to present to any business or industrial concern interested in locating the area, was stressed by John W. Beal, industrial department representative of the Central Hudson Electric Light and Power Corporation of Pough-keepsie, in his talk at a meeting of the Port Ewen Businessmen's Association.

Beal said that the information is extremely essential and should be available to present in proper form to any concern looking for an area in which to locate.

Beal was advised that the business group has already compiled the information and that it is being put out in the form of a beach we should be the should be a brochure, already in the hands of the printer. It's an old habit, so we'll play this one strictly by ear. The bookies are in a dilemma and the baseball fans are confused, but we're picking the Yankees in six games, maybe less.

Nobody picks the Yankees in four any more, but it could happen. National League partisans may have been heartened by the dismal showing of the Bronx Bombers after the All Star break, but they'll discover it was an ugly illusion. What team could keep going when 171/2 games ahead.

The Yankees won every series they had to win, and won them big, during the 1958 campaign.

They're in better shape physically than a year ago and we doubt Lew Burdette can deliver three straight victories, should

• Knick Knacks:

The New York Knickerbockers will play 27 league games, five more than last season, in Madison Square Garden this season and three at the 69th Regiment Armory. This gives the Knicks 30 home dates as opposed to 28 for the 1957-58 season. Twelve of their Garden appearences will be parts of NBA doubleheaders. Two other Garden dates will have the Harlem Globetrotters in the first game. The Knicks last winter drew a Garden attendance of 247,632 for a 11,256 average. The Globetrotters, the greatest attraction in basketball, will share the spotlight on Tuesday, Dec. 30, when the New Yorkers engage the Detroit Pistons and on Sunday afternoon, March 8, when Detroit again provides the Knick opposition. Coach Fuzzy Levane's Gothamites inaugurate their Garden league season Oct. 25 against the Boston Celtics. The 1958 Gun Digest tells a shooting story for those appreciate real gun handling. It's a story of little Ed McGivern of Montana, the fastest, most ac curate shot of all time, Wyatt Earp, et al notwithstanding. Nixon Is Urging

WASHINGTON (AP) - Vice President Nixon is giving signs that as a campaigner he intends to return to his 1954 form when he was the scourge of the Democrats.

Nixon kicked off his campaigning for a Republican Congress with a speech in Indianapolis, Ind., Monday night. In it, he urged party members to take off the gloves for what he characterized as "the fight of our lives."

There were echoes of the Nixon of four years ago as he sailed into what he called "the cheap, below-the-belt cracks of Harry Truman and his ilk" and spoke of the "frightening alternative" to the election of Republicans. Truman Was Target
